He further expressed that in view of ACP achievement of Priority sector was at 105 % of target of 2023-24, the projected State ACP for Priority at Rs.6,36,994 Cr for the FY 2023-24 seems very reasonable. Accordingly, he appealed Hon'ble CS Sir for announcing the Launch of State ACP of Priority Sector amounting Rs.6,36,994 Crore as it is in line with PLP of NABARD and of total outlay inclusive of Non Priority amounting Rs. 26,33,005 Cr for the F Y 2023-24.

Further, she deliberated that, the Gol has also advised a credit disbursement target of Rs.82999 Crore for crop loan. In view of these factors SLBC may consider increasing the crop loan target for 2023-24 under ACP.

In response of the same Member Secretary SLBC, Maharashtra deliberated that, the target is finalized at District level and compiled at State level by SLBC.

Further, Hon'ble Chief Secretary Sir, advised that, target under Agri term loan along with Crop loan needs to be increased as there is a scope for the investment credit and it is evidenced by last years' achievement and it may be more realistic and it to be proposed at Rs. 92,000 Cr. as against proposed target of Rs. 82,352 Crore and total increase in annual credit plan to the tune of Rs.33,90,000 Crore as against earlier plan of Rs. 33,55,268 Crore.
