TENDER OF INTERIOR FURNISHING WORK FOR BANK OF MAHARASHTRA PROPOSED ZONAL OFFICE AT 2ND FLOOR JOYDEEP TOWER SEC-62- NOIDA

С р С	DESCRIPTION PARTITIONS WORK	UNIT	QTY.	RATE	AMOUNT
р С					AMOUNT
р С					
s G fi 2 s c W w	Gypsum Board Partition : Supplying and fixing full height 75 thk Gypsum board vartition made out of 50mm x 50 x 1.5mm thick Aluminium Sections at approx. 450mm C/C vertically and horizontally @ 600mm C/C and verticals secured to ceiling with unchor fasterners. The frame work shall be cover with 12.5 mm thick double kin fire rated board conforming to IS: 2095: part I- Gypsum Board of first quality, approved brand, conforming relevant IS, Maufactured by M/s Saintgobain/India Gypsum/Armstrong on each sides including two coats of Premium plastic emulsion of irst quality, approved brand and colour, manufactured by M/s Asian paints/Berger over a coat primer and complete wall putty. The partition shall be provided with glasswool infill of 24kg/m3 density and well notched frames including making cutout for electrical conduits, support for access control lock etc. complete all as specified and directed by Officer in the approxement shall be taken up to false ceiling level and visible portion only & all vastages.		120.00		
	FULL HEIGHT SOLID PARTITION	Sq.Ft.	15.00		
tl (h 1 si tl p c T T c C T t a si fi fi	Full ht. Solid Partition including flush door. Providing and fixing solid partition , he framing shall made out of aluminium hollow section of 50mm x 50mm size 18 guage) 1.5mm thick of JINDAL / INDAL as internal frame structure placed horizontally & vertically at max distance of 2'-0" x 2'-0" center to center. Fixing .2mm thick MDF on both sides with 1.0mm thick laminate on top of approved hade with groove pattern as per instructions of Architect. The rate shall include he cost of providing skirting of 100mm wide lined with 1mm thk laminate and providing & fixing a border at top of 100mm wide lined with 1mm thk laminate complete. Laminate Should be considered up to two or three color combination. The edge beadings with steam beach wood should be finished with melamine polish if required, frame work above false ceiling done shall not be measured but contractor may factor it while quoting there rates as measurment up to false <u>teiling lvl.</u> The rate inclusive of providing & fixing of required flush door of 37mm thick approx. with 1.0mm th.laminate both side with steem beech wood chowkhat of ize 75mm x 65mm approx and Item includes Heavy-duty SS ball bearing butt thinges 100 x 5.5 mm (4 Nos. per shutter) with screws etc.The shade of laminate inish to be got approved from Bank All as per the design and instructions Bank Note :- For the purpose of payment partition shall be measured including the area				
	of door/door frames up to false ceiling heaight.				
	Framework shall be regidly secured to floor, bottom of slab & exisitng walls at 2'- " c/c with dash fasteners.				<u> </u>
2.2	Full height Glazed partition	Sq.Ft.	595.00		+
S a s s in (Same as of Solid ht. partition, providing 8mm thick Modi/saint Gobin float glass bove 1'-0" / 3'-0" & up to 7'-0" fixed with steam beech wood beading of finished ize 1 1/2" X 1" all along the edge. All edge-to-edge glass joint to be machine cut and polished and sealed with silicon sealant. joint shall be located strictly as hown in the drawing. All exposed woodwork to be mealamine polished. Item ncludes frosted/striped/designer glass film of 3m, Avery Dennison or equivalent basic rate of Flim Rs. 50/ Sq.ft.) on existing glass as per manufacturer's pecifications. All as per the design and instruction Bank.				
	TOTAL OF PARTITIONS WORK				
3 D	DOOR & ACCESSORIES				
3.1 M	Main Entrance Door PT Door	Sq.Ft.	32.00		

S.NO.	DESCRIPTION	UNIT	QTY.	RATE	AMOUNT
	Providing and fixing toughend glass door shutters of 12mm thickness in opening of glazed partitions with stainless steel patch fittings of approved make (DORMA/ DLINE / GEZE or approved equivalent) including heavy duty double action floor- spring with steel cover plate of approved make, pull handle SS brussed finishes 24" long thick 25mm on both sides of door shutters, locking arrangement of Dorma / D Line or equivalent or better quality as approved by Engineer-in-charge. Exposed edges of glass shall be machine cut & polished. Cost includes cutting and making good the floor, walls, ceiling etc. for fixing floor spring and patch fittings. All complete as per approval of the Architect.				
3.2	Main Entrance Fixed PT Glazing	Sq.Ft.	8.00		
	Providing and fixing toughend glass partition of 12mm thickness with stainless steel patch fittings of approved make (DORMA/DLINE / GEZE or approved equvalant as approved by Engineer-in-charge. Exposed edges of glass shall be machine cut & polished. Cost includes cutting and making good the floor, walls, ceiling etc. for fixing patch fittings. All complete as per approval of the Architect.				
3.3	Supplying and fixing of Dorma/GEZE Dline / Hardwyn/Godrej or approved equivalent Door Closer for wooden door for Branch manager, Banking hall, Chief Cashier , Dinning ,UPS,Toilet	Nos	6.00		
3.4	Supplying and fixing of mortice door lock of hardwyn make HML-480 Lock Body 304 Stainless Stell. (in BM Cabin , Store room 0. shall be Godrej Night latch.(atm 1 No.)	Nos	3.00		
3.5	Supplying and fixing of door stopper SS Grade 304, HESSF-2C hardwyn make.	Nos	10.00

4	WORKING TABLES-Moduler furniture Make-Indo Innovations,Bane,Godrej,Network office Automation				
4.1	WORKSTATION WITH 60MM THICK PARTITION				
a	Providing and placing in position of Workstations as per photograph of Indo make. Partition :- Main & Side Partition:- 60mm thick panel based partition system of 1350mm ht. Powder coating shall be 50-60microns, shall follow seven tank procedure for anti rust treatment. The panel above the work surface shall have fabric / White marker tile, Below table top it shall have lam Panel. Top & Side trims of partition shall be 1.5mm thk in aluminium extrusion duly finished with powder coating in desired shade/colour. The partition should have the raceways at two levels for carrying voice/data wires and power cables separately. One raceway at skirting level and other above/below worktop as per the requirement. The height of the partition shall be of min.1350mm. All partitions should have the provision of level adjustment to adjust the height of ±10mm. All Aluminium components will be finished with powder coating in desired shade/colour. WORKTOP :- Work top made up of 19mm thickply board with laminate all exposed edges sealed with 2mm thick pvc edge banding tape, GABLE END :- made up of 19mm thick ply board with laminate & all exposed edges sealed with 2mm thick pvc edge banding tape. WIREMANAGEMENT:- Wire manager hole cut on the table top Mobile Drawer unit:- Drawer Unit size 400x450x700(ht) Drawer Made of 18 mm thick prelaminated particle board with 2 drawer & 1 filling.Drawer run on the channels. The drawer are made mobile with use of castors Size :- 1200(L)x750(D)x 750/ 1350(HT)	NO	20.00

TENDER OF LAN & TELEPHONE WORK FOR BANK OF MAHARASHTRA PROPOSED ZONAL OFFICE AT 2ND FLOOR JOYDEEP TOWER SEC-62- NOIDA

С	SCHEDULE - 'C' (LAN & TELEPHONE WORK)				
S.NO.	DESCRIPTION	UNIT	QTY.	RATE	AMOUNT
1.0	TELEPHONE SYSTEM				
1.1	Wiring for telephone points with 2 pair 4/5 pair .51mm dia ATC (annealed tinned Cu wire) with PVC insulated PVC sheathed telephone cable from tag block to the point including providing ferrules at both ends and termination at both ends including providing & fixing RJ 11 outlet, faceplate and mounting box complete of modular type 9 where 2 such points are shown, 2 such wires shall be provided) This work includes providing PVC conduits in chases from the raceway to the point. (1 each for branch manager, C.C. P. officer & Clerck). separate IO box to be provided for Telephone	Nos.	20		
1.2	Supplying, laying effecting terminations, testing and commisioning of 0.51mm dia Cu. Conductor, twisted, colour coded with polythene capor barrier, telephone cables in the existing tray or in conduit includinig providing & fixing conduit pipe or cable tray as required from building tag block to the floor as required.				
а	0.5mm , 5 pair armoured telephone cable from telephone connection in the premises to the crone box.	rmt	150		
b	Supplying & fixing 20 pair krone tag block with enclosure.	Nos.	1		
2.0	DATA SYSTEM - CONDUITING & CABLING				
2.1	providing and laying UTP Cat 6 data cable for nodes through 25mm dia PVC conduit through floor, wall and partitions etc including all necessary materials from main Hub to building tag block(BSNL)	rmt	150		
2.2	Wiring for computer networking from I/O hub to computer workstation with UTP Cat-6 computer cable including providing ferrules at both ends and termination at both ends including providing & fixing frame for with shutter, RJ 45 outlet, faceplate and mounting box complete of modular type, This work includes providing PVC conduits (1/2", 3/4" size or as required0 in chases from the I/O hub to the point. The cost includes testing, commisioning etc complete. Note : Do not run more than 3 wire in single pipe & should be concealed.(Conference -5,work station-1 each,ZM- 3,executive-2 each	Nos.	48		
	Supply of Cat - 6 D-Link patch cord 7' 0"	Nos.	48		
2.4	Supply of Cat - 6 D-Link patch cord 3' 0"	Nos.	48		
2.5	Supply & fixing 24 Port Jack Panel Make:-CISCO	Nos.	1		
2.6	19" Rack 12U with Glass Door , Locking system Make: APW	Nos.	1		
2.7	24PORT 10/100Mbps Switch	Nos.	2
