1. Introduction

Bank of Maharashtra is a public sector bank with a standing of more than 85 years. It has a three tier organizational set up consisting of branches, Zonal Offices and Head Office. Bank of Maharashtra, a leading Public Sector Bank has more than 2000 fully computerized branches spread across the country. In the state of Maharashtra itself it has about 1000 branches, the largest network of branches by any Public Sector Bank in the state. The Bank has set up specialized branch offices to cater to the needs of SMEs, Corporate, agriculturists and importers & exporters.

The bank has fine-tuned its services to cater to the needs of various sections of society and incorporated the latest technology in banking offering a variety of services. The products and services offered by the Bank include demand deposits, time deposits, working capital finance, term lending, trade finance, retail loans, government business, Bancassurance business, mutual funds and other services like demat, lockers and merchant banking etc.

The Bank has also implemented its CORE BANKING SOLUTION across all branches.

The Bank proposes to co-host its Primary Data Centre at TIER-III or higher Data Centre in the city of Pune. The Bank intends to issue this bid document to the service providers to participate in the competitive bidding for implementation and maintenance of co-hosted Primary Data Centre Site.

The Period of Contract shall be for a period of five years. The contract period will start from the date of acceptance of the project by the Bank.

This request for proposal document ('RFP document' or RFP) has been prepared solely for the purpose of enabling Bank of Maharashtra ('Bank') to select a service provider for implementing & maintaining the co-hosted Primary Data Centre facility.

The RFP document is not recommendation, offer or invitation to enter into a contract, agreement or any other arrangement, in respect of the services. The provision of the services is subject to observance of selection process and appropriate documentation being agreed between the bank and any successful bidder/ service provider as identified by the bank, after completion of the selection process as detailed in this document.

2. Invitation to the Tender

This is to inform that Bank of Maharashtra (BoM) intends to co-host its Primary Data Center in a Tier-III or higher data Centre. This would cover the phases from shifting of all hardware & link from existing Data Centre to proposed Data Center, Commissioning, Integration, testing and maintenance of the proposed Data Centre along with other services, training and documentation as specified by the Bank act.

The bidders are expected to examine all instructions, forms, terms, BoM project requirements and other information in the RFP documents. Failure to furnish all information required as per the RFP document or submission of a proposal not substantially responsive to the RFP document in every respect will be at the Bidder's risk and may result in rejection of its Proposal and forfeiture of the Bid Earnest Money Deposit.

A complete set of tender documents may be purchased by eligible bidder upon payment of a non-refundable fee, mentioned in the important information regarding bid submission, by demand draft / banker's cheque in favour of Bank of Maharashtra and payable at Pune.
