8(3) Where two or more officers of different seniorities in the scales of pay immediately prior to the appointed date are fitted at the same stage in the new scale of pay, different dates may be fixed for the eligibility of such officers for the next increment in the new scale of pay.

8(4) Where in the course of aforesaid scheme of fitment, officers have to be fitted in two different scales depending on whether they are located in the Head Office or in the field or metropolitan areas or other areas, the mere fact that on the appointed date they happen to be posted at a particular place or office shall not by itself entitle them to a fitment in a particular grade and the Bank may make suitable changes in placements so as to fit them in an appropriate grade, having due regard to their inter-se seniority.

The amount to be added shall be the actual quantum of increment alone and not the DA paid thereon.

(3) In respect of officers fitted in scale II and above in the new scale, the benefit of additional increment referred to in para (2) above would be available provided their basic pay in the existing scale is equal to the basic pay in the existing scale of an officer fitted into the Scale I.

(4) For the purpose of fitment in the new scales of pay the DA actually drawn by the officer immediately before the appointed date shall be taken into account subject to the following provision :
