Corrigendum to RFP for Conduct of Electrical Cum Energy and Safety Audit of 42 branches of Indore Zone, Zonal Office Indore and Currency Chest Indore

With reference - RFP 012020 – AX40/Indore Zone/Electrical and Energy Audit/2020-21 published on our website dated 18.06.2020, the following amendments to the RFP are made with immediate effect.

| S N O | RFP Page No. | Term/ Clause | Clause as per RFP | Clause Revised as |
|-------------|--------------------|--------------------|---|---|
| 1 | 4 | Splitting of order | The Bank reserves its right for splitting the order between the two service providers. The splitting of the order, provided the L-2 service provider agrees to match the prices quoted by L-1 service provider and agrees for all the terms and conditions. Or The Bank reserves its right to give full order to L-1. | <p>With a view to reducing the risks of delay in the project implementation, Bank reserves the right to split the order approximately in the ratio 65:35 between the bidder offering the lowest rate L1 and the bidder offering the lowest rate L2 provided the difference in total price between L1 and L2 is less than or equal to 10 percent. However the Purchase order for L2 will only be at the rate offered by L1. If L2 do not accept the purchase order in writing within 5 working days, then purchase order will stand automatically cancelled. If the difference in total price between L1 and L2 exceeds 10 percent, the Bank will place the entire order on L1 bidder.</p> <p>Under any circumstances, the splitting of order will not be between more than 2 bidders. Bank reserves the right to decide on the splitting of order.</p> <p>Splitting will be done on a whole branch basis so that no bidders will be required to share any order in one branch and as such the order may not be exactly split in the proportion mentioned.</p> |

Note:-

1. Except above clause, there is no other change in any information in RFP document.
2. Reply to the Pre-bid queries are uploaded separately on the website.
