If difference in total price between L1 and L3 exceeds 8%, but the difference between L1 and L2 is less or equal to 8%, then the Bank may split the order in the ratio of 60:40 between the printer offering the lowest total price and the printer offering the second lowest total price(L2).

However, the work order for L2 will be at the same rate as offered by L1. If L2 does not accept the work order in writing within 5 working days, then the same will stand automatically cancelled.

If the difference in the total price between L1 and L2 exceeds 8% Bank may place the entire order (or only 60% of it at its discretion) on L1 printer. L2 and L3 are required to match their prices with L1 on the overall price for Bank's Diaries printing plan outlay.

In case two or more printers quote the same price, Bank's decision to allot the work to any one will be final and binding on the remaining concerned bidders.

In addition to the cancellation of release order, Bank reserves the right to appropriate the damages from the earnest money deposit (EMD)/ Security Deposit given by the printer.

**17.** Printers are advised to study the RFP /Tender carefully. Submission of bid shall be deemed to have been done after careful study and examination of the RFP/Tender document with full understanding of its implications.
