However there will be L1 for each Item Group based on the total amount of the respective group. Rate contract will be made with L1 bidder and L2 Bidder of respective group (Provided L2 Bidder gives written consent to match L1 Bidder Price. In case L2 bidder does not show willing ness to match the L1 bidder price, then preference will be given to L3,L4... bidders to match L1 Bidder Price). The splitting of the procurement order between L1 and eligible bidder as mentioned above will be on 60:40 basis respectively.</p> <p>It may be possible that a bidder be L1 for more than one item group. In such cases rate contract will be done accordingly.</p>

		H1 rates of all items in schedule of credit will form final rates of buyback. For rate contract with the bidder/bidders will be based on their willingness to match the H1 rates for Buyback wherever applicable.
